

Creating Fond Memories That Last A Lifetime

Bee Cheng, 34, was living life to the fullest. Blessed with two bubbly children aged nine and twelve, she enjoyed her passion for music, singing and watching DVDs.

All that ended when she was diagnosed with cervical cancer in May 2009. As she underwent treatment with multiple hospital admissions, her children became a constant source of worry. She came to Dover Park Hospice with pain and struggling with fears for her children's future.

This proved a turning point. With her pain controlled, she was able to do the things she loved like singing and even at times watching DVDs till late at night at the hospice. Unable to fulfill her children's wish of going to Disneyland, she was still able to enjoy precious moments with them. She celebrated Mother's Day at the hospice with her children making decorative cards for her, while a nursing intern gave her a special makeover. Another team organised a surprise party which had her favourite food, prepared by her mother-in-law. This was topped by karaoke, which she enjoyed most. All that was captured on video but more so, in the hearts of her loved ones. Another of her wish was fulfilled when the hospice arranged for her to have a portrait taken with her husband.

A few days later, she took her last breath, surrounded by the loving embrace of her loved ones.

At Dover Park Hospice, it is all about creating precious memories for loved ones, of heart warming occasions and of living life to the fullest even as we do the best we can to provide comfort from pain with the dedicated effort of our clinical team and volunteers.

珍贵的回忆

人生如戏，戏如人生。美貌清秀的美娟，就是被命运的折疼，34岁就被诊断出患有子宫颈癌。有两个年幼孩子的她，要面对这晴天霹雳的事实，是多么的残酷。虽然病重，但身为入母，她还是无时无刻为孩子的生活起居和学业进度感到担忧。

住进托福园其间，她的病情和疼痛受到控制，助使她能够再次做她喜欢的事情，例如唱歌和看她喜爱的DVD。虽然她无法带她的孩子游迪士尼乐园，但她依然能享受与他们珍贵的时刻。托福园为他们举办了一个‘Surprise’母亲节派对，这也是孩子们最后一次为妈妈庆祝母亲节。看着满面笑容的美娟和孩子共唱

karaoke 的那一目，是那么的感人，温心。

孩子的奶奶说：“我们衷心感谢你们为美娟所做的一切。看到她乐开怀的样子，我们也感到十分欣慰。”

美娟的病情也逐渐恶化，但在她走完人生最后一段路之前，她实现了她最后的一个心愿——开心的与丈夫合照。几天后，她以平静的心，画上生命的句点。

能为孩子们与美娟创造美好的回忆，托福园的每位同工都感到欣慰。这也是我们的使命：给予晚期病患安慰，关怀和良好的照顾，并对病患悲伤的家属给予精神支持。我们需要您的善心支持来继续完成这使命。我们衷心感谢您热心的捐款。
